The HUB Playground Wali Jones Mural

Partnership with We Embrace Fatherhood, Philadelphia Contemporary, and Mural Arts

RFQ Issued: July 18, 2022

RFQ Deadline: August 5, 2022

Contact information: Annie@philadelphiacontemporary.org

1. Introduction

We Embrace Fatherhood, Philadelphia Contemporary, and Mural Arts Philadelphia are collaborating on the installation of an exterior mural at the 37th & Mt Vernon Park Playground, better known in the community as the HUB Playground, located in the heart of the Mantua neighborhood in West Philadelphia.

The mural will be a tribute to Wali Jones, a West Philadelphia native and former 76ers starting guard. He won a championship ring alongside Wilt Chamberlain on the vaunted 1967 Philadelphia 76ers team, which was voted into the Hall of Fame as the best team in the NBA's first 25 years. Wali remains active on the court and in his community as the founder of Shoot For The Stars Institute, a youth workforce program aimed at providing human development and positive peer leadership training through an athletic approach.

Project

We seek one lead artist to create and execute a mural design for a building wall that faces the HUB Playground basketball court at 3722 Mt. Vernon Street, Philadelphia, PA 19104. An assistant artist selected by the artists and the MAP team will support the lead artist in painting the mural.

The goals for creating the mural, and for the process that leads up to it, are to

- Provide a prominent visual feature at the HUB Playground to celebrate and acknowledge the accomplishments of Wali Jones a native West Philadelphia community leader and athlete.
- Use public art to bring greater visibility to We Embrace Fatherhood’s longstand commitment and impact in the community as part of a fundraising strategy for capacity building.

The lead artists will be paid \$13,000, which covers all artist fees, including design and mural production and installation.

Artists who are based in West Philadelphia, with a familiarity with the Mantua neighborhood, and work in visual, two-dimensional mediums with a focus on portraiture are encouraged to apply.

2. Background

About the HUB Playground

The 37th and Mt. Vernon Playground, known as the HUB Playground due to the longstanding efforts of programming provided by the HUB Coalition, includes a full basketball court and two-aged specific play areas. The vibrant community green space has served as a safe space to play, exercise and connect with neighbors. The multifunctional space serves as a refuge for the community to provide mutual aid, including functioning as a meal distribution site and a resource center giving out school supplies and books.

About We Embrace Fatherhood

The HUB Playground is a central location where We Embrace Fatherhood (WEF) offers a range of open and free holistic wellness programs, including basketball clinics, fit camps, mental health support circles, and pop-up food distributions. WEF is a non-profit family services organization founded by a coalition of West Philadelphia fathers, activists and artists committed to providing experiences and fostering relationships that allow youth, families and staff to redefine and reach their highest potential. WEF leaders, as a collective, have successfully provided services to residents in the city of Philadelphia for over two decades. Programs include public art exhibits, community events, youth-development programs and ongoing dialogue about fostering strong male engagement.

About Philadelphia Contemporary

Philadelphia Contemporary (PC) is a contemporary art organization whose mission is to connect the people and places of Philadelphia through art and partnership. Currently nomadic, Philadelphia Contemporary presents visual art, performance art, and spoken word across the city, with ambitions to establish a freestanding, globally oriented, and locally aware non-collecting arts institution. PC has a commitment to supporting the Mantua community and

co-created with the Mantua Civic Association a youth ambassador program aimed at providing a hands-on approach to engaging youth ages 11-14 years old to work together in a meaningful way to shape their environment by utilizing the power of the arts.

About Mural Arts Philadelphia

Mural Arts Philadelphia is the nation's largest public art program, dedicated to the belief that art ignites change. For 30 years, Mural Arts has united artists and communities through a collaborative process, rooted in the traditions of mural-making, to create art that transforms public spaces and individual lives. Mural Arts engages communities in nearly 100 public art projects each year, and maintains its growing collection through a restoration initiative. Core Mural Arts programs such as Art Education, Restorative Justice, and Porch Light yield unique, project-based learning opportunities for thousands of youth and adults.

In recent years, Mural Arts has evolved into a multi-disciplinary arts organization exploring the intersection of muralism, public art and contemporary art. In addition, Mural Arts has collaborated with an increasing range of community, civic, cultural and development organizations to realize projects that have expanded the city's public art portfolio in new and exciting ways. Increasingly, Mural Arts has assisted in private organizations in commissioning artworks that engage the communities where they are working.
